ORDER:

The E.F.S. & T. Department have informed that the Vice Chairman & Managing Director, Andhra Pradesh Forest Development Corporation Limited, Hyderabad in the references 1st to 5th read above has stated that Andhra Pradesh Forest Development Corporation Limited was established during the year 1975 with the main objective of raising Industrial Plantations of Eucalyptus and Bamboo in order to meet the raw material needs of the Wood based industries. Initially, the Andhra Pradesh Forest Development Corporation was raising plantations over an extent of 6,000 ha to 7,000 ha per annum, for which the Corporation had made recruitment in various categories to an extent of 1022 posts as against the sanctioned strength of 1371. During the year 2004-05, the Implementation Secretariat (IS), Department of Public Enterprises, Government of A.P., after detailed study and series of discussions held with the Corporation, had fixed the total strength of the Corporation at (681) posts. Subsequently, the Government in the year 2005, have directed that the Andhra Pradesh Forest Development Corporation Limited, should raise Eucalyptus Clonal Plantations over an extent of 40,000 ha. in the next (6) to (7) years, i.e., from the year 2005-06 onwards keeping in view the increased demand by the Paper and Rayon industries for pulpwood. Accordingly, during 2006-07, the Clonal Eucalyptus Plantations were raised in about 3,000 ha, which were further increased to 5,000 ha during 2007-08. Further, the plantation targets were enhanced and the Corporation has also been entrusted to take up Eco-restoration of Revenue waste lands, Bio-diesel plantations and Eco-tourism Projects. Thus, the plantation raising activity of the Corporation has increased four-fold from 2004-05 whereas the staff component remains static at (681) only. The Vice Chairman & Managing Director, Andhra Pradesh Forest Development Corporation Limited has, therefore, requested to sanction (32) additional posts i.e., Divisional Manager (2); Plantation Manager (8); Assistant Plantation Manager (20) and Junior Draughtsman (2) for the Corporation, in addition to the existing (681) posts approved during the year 2004-05. He has proposed to meet the expenditure from the internal resources of the Corporation without depending on the Government funds.

(P.T.O.)

2. In view of the above, Government after careful consideration, hereby order for creation of the following (32) additional posts in Andhra Pradesh Forest Development Corporation Limited duly raising the cadre strength of Andhra Pradesh Forest Development Corporation Limited to (713) from the existing (681):
